

A considered resale experience

# Black quilted leather shoulder bag

Condition assessed for clarity before purchase.

Reference AC-1048

VERY GOOD

Overall condition

## Condition at a glance

Light wear is visible at the corners. The clasp has fine surface scratches. Interior lining is clean with one faint mark shown in the evidence.

Independent product photography

## Area-by-area assessment

Each area is assessed consistently. Marked details are shown on the following page.

|                 |           |                                   |
|-----------------|-----------|-----------------------------------|
| Corners         | Very good | Light edge wear documented        |
| Hardware        | Very good | Fine surface scratches documented |
| Interior lining | Very good | One faint mark documented         |
| Strap and chain | Excellent | No notable wear observed          |
| Exterior body   | Excellent | No notable wear observed          |

Condition scale: Excellent = no notable wear observed. Very good = light, documented wear consistent with careful use.

# Mapped condition evidence

Select a marked area in the live product-page report to inspect it in detail.

## 1. Corner wear

Very good condition

Light edge wear at the lower corner.

### Corner detail

Wear is light and localised.

## 2. Clasp

Very good condition

Fine surface scratches in close-up.

### Hardware detail

Fine scratches visible in close-up.

## 3. Interior lining

VERY GOOD

One faint surface mark is visible within the lining. Interior remains clean and functional.

### Interior detail
